

Parent Perspective

1. Is this the first child in your immediate family to go through the college application process?
2. Is your daughter first generation to attend a college/university? If yes, did any of her siblings attend as first generation?
3. In what areas has your daughter shown **the most development and growth** during the past three or four years?
4. What do you consider to be your daughter's **outstanding accomplishments** during the past three or four years?
5. If you had to describe your daughter in **five adjectives**, what would they be? Why?
6. Please describe your daughter as a person. What qualities do you admire most? What anecdote might illustrate your **daughter** at her best?
7. Are there any **unusual or personal circumstances** that have affected your child's educational or personal experiences?
8. What would you like a college admissions officer to know about your daughter?
(This is your opportunity to brag!)
9. What language, other than English, is regularly spoken in your home?
